CURE SUMMER RESEARCH PROGRAM for Underserved Students

*NORTHWESTERN UNIVERSITY
Evanston, Illinois*

Undergraduates pursuing a major in science are invited to apply for this 8-week summer research opportunity for members of a group underrepresented in the sciences: racial/ethnic minorities (African American, Hispanic, Native American), economically disadvantaged, or first-generation college-bound. Housing and \$3,500 stipend are included. Chicago and Evanston campus opportunities are available. Supported by a grant from the National Cancer Institute.

For more information and to apply visit:

cancer.northwestern.edu/CURE

All application materials must be received by March 1, 2017.
