Mission

The mission of the MIT Office of Minority Education is to promote academic excellence, build strong communities, and develop professional mindsets among students of underrepresented minority groups, with the ultimate goal of developing global leaders in the academy, industry, and society.

Vision

Imagine an MIT experience where all students are connected, happy, excelling, expanding their boundaries and inspired to follow and achieve their passions.

MENTOR ADVOCATE PARTNERSHIP (MAP)

Volunteer mentoring program

- Program started in 2007
- MIT faculty, staff, post-docs and grad students serve as mentors
- First year undergraduates as protégés
- To foster the holistic development of students along both academic and non-academic dimensions

Protégés submit online application – August 31 to September 14

- Application and information: [https://ome.mit.edu/programs-services/mentor-advocate-partnership-map](https://ome.mit.edu/programs-services/mentor-advocate-partnership-map)
Course Description

- IAP hands-on, design course for first and second-year undergraduates
- Work in teams to prototype and present solutions to real-world problems
- Network with industry partners and (potentially) interview for internship opportunities
- All majors are welcome!

IAP 2019:

- **Topic:** In partnership with General Motors’ Innovation Team, Momentum 2019 will challenge participants to design a transformational entry and egress experience for passengers of autonomous vehicles. Through a combination of user-centered design and quick prototyping methodologies, you will learn what it takes to identify a problem worth solving before prototyping your solution on a real vehicle. Take the design process from start to finish and present your idea to innovation leaders at GM and other industry leaders.

- **Class Size:** Accepting cohort of 30 students

- **Apply online:** September 17 to November 2, 2018 - [http://ome.mit.edu/programs-services/momentum-overview](http://ome.mit.edu/programs-services/momentum-overview)
SEMINAR XL AND SEMINAR XL/LE

- Facilitated small study groups (3-7 students)
- Take alongside your SME GIRs
  - Calculus, Physics, Chemistry & Biology
  - Other popular major courses might be available
- Meets twice a week for 90 minutes
- Why take Seminar XL?
  - Master core subjects and sharpen problem-solving skills
  - Develop effective study habits and teamwork strategies
  - Gain exposure to additional, often more challenging, material
- First year students receive credit (XL earns 3 units)
- LE/Limited Edition (students start after “add” date; may earn 1 unit)
- Exceed credit limit in the *fall only* (up to 60; normally 54)

*Info Session: Tuesday, Sept. 4th @ 12pm, Bldg. 4-370*
TALENTED SCHOLARS RESOURCE ROOM (TSR^2)

- Location: Bldg. 16-159
- Study Lounge
- P-set Nights
- One-on-one Appointments via OME website
- Exam Review sessions
- ALL services are **FREE & open to all undergraduate MIT students**
- Open to students Monday-Sunday, 8am-10pm

*TSR^2 Open House: Monday, September 10th, 2018, 11:00am-1:00pm in Bldg. 16-159*
