The BLG’s Summer Internship Program introduces talented college students from diverse backgrounds to career opportunities within the legal profession. The program enables students to develop and enhance skills applicable to professional careers in general and introduces them to Boston’s legal community.

BLG Summer Interns work in a law firm, government agency or corporate legal department from May-August. Each intern’s work assignments are determined by the sponsoring BLG member organization.

In addition to the “on the job experience,” the BLG interns participate in fun and interactive professional development workshops. Each workshop is designed to give the intern a view into a specific area of the legal profession.

2013 SUMMER INTERNSHIP WORKSHOPS INCLUDED:

- Boston Area Law School Tours
- Mock Law School Class
- Resume Review Workshop
- Observing a Live Court Trial
- Luncheons with Attorneys and Law Students
- Day in Court: A Mock Trial Production

We hope that once students are exposed to the legal profession, they will be inspired to pursue a career in law and contribute to the pipeline of talented attorneys of color at BLG member organizations.

The BLG is looking for diverse, talented college students who are sophomores and juniors to participate in the 2013 Summer Internship Program. Students who are members of The Posse Foundation, Bottom Line, and other recognized leadership organizations, and are among their family’s first or second generation to attend college, are strongly encouraged to apply. In addition, the student’s ability to demonstrate a connection to the Boston community will be considered and preference will be given to those students who reside within Boston city limits.

Once the member organization has made its selection, students will be notified that they are selected for an interview. The BLG and/or the firm will follow up with you once the interns have been selected. Member organizations will designate a coordinator and attorney mentor for the summer internship. Coordinators will organize internship details with the BLG, the summer intern and the mentor. Mentors will meet with the interns regularly and will provide guidance throughout the summer.

Interns are required to attend a mandatory 2-day orientation prior to the start of the program. This year’s orientation will tentatively begin on Tuesday, May 28, 2013.

All BLG Summer Internships are paid positions. Housing accommodations and travel are NOT provided.
