Program Assistant
OME MISSION AND VISION

Mission
The mission of the MIT Office of Minority Education is to promote academic excellence, build strong communities, and develop professional mindsets among students of underrepresented minority groups, with the ultimate goal of developing global leaders in the academy, industry, and society.

Vision
Imagine an MIT experience where all students are connected, happy, excelling, expanding their boundaries and inspired to follow and achieve their passions.

SEMINAR XL AND SEMINAR XL/LE

• Facilitated small study groups (3-7 students)
• Take alongside SME GIRs
  • Calculus, Physics, Chemistry & Biology
  • Other popular major courses might be available
• Meets twice a week for 90 minutes
• Why take Seminar XL?
  • Master core subjects and sharpen problem-solving skills
  • Develop effective study habits and teamwork strategies
  • Gain exposure to additional, often more challenging, material
• First year students receive credit (XL earns 3 units)
• LE/Limited Edition (students start after “add” date; may earn 1 unit)
• Exceed credit limit in the fall only (up to 60)
TALENTED SCHOLARS RESOURCE ROOM (TSR^2)

- Location: Bldg. 16-159
- Study Lounge
- P-set Nights
- One-on-one Appointments via OME website
- Exam Review sessions
- ALL services are **FREE & open to all undergraduate MIT students**
- Open to students **Everyday, 8am-10pm**
MENTOR ADVOCATE PARTNERSHIP (MAP)

- Opt-in program exclusively for first-year students
- Designed to assist students with the transition into MIT
- MIT faculty, staff, post-docs and grad students serve as mentors
- Mentors do not replace academic advisors; they guide students through their first year, refer students to MIT resources, etc.

E-MAP: Rising sophomores, juniors, and seniors connect with mentors who are MIT alumni and/or affiliated with our industry partners
MOMENTUM (16.682)

- **Student teams** (first- and second-year undergrads) prototype/present solutions to real-world problems to industry partners
- **Class runs over IAP** (January term), 6 elective units
- **Network with industry partners** and (potentially) interview for internship opportunities
- **Open to all majors/academic interests**
- **Momentum 2021 details forthcoming—Sept. 2020**

Momentum 2020 recap:
- **General Motors**—develop novel devices to assist users with physical, visual, and/or auditory impairment to fully utilize autonomous vehicles
- **Capital One**—develop a product to empower financial security for un/underbanked populations
